**Specialized mail services:** For the convenience of people, the post officers offers various mail services.

## Types of specialized mail services

- ☐ Certificate of posting.
- ☐ Insured post.
- ☐ Registered post.
- ☐ Speed post

# Certificate of Posting

## Certificate of Posting

If the sender wants to have proof that he has actually posted, certificate can be obtained on the payment of the prescribed charge.

- Write the address of the receiver and sender on a plain paper and affix a postage.
- Letter along with this paper has to be handed over to the post office.
- The post office will put its seal on the paper and return it to you.

The image shows two forms related to the Certificate of Posting process. The top form is titled 'CERTIFICATE OF POSTING' and contains fields for 'Description of articles' and 'Exact address on the article'. The bottom form is a 'POSTAGE RECEIPT' with a circular postmark and a rectangular postmark.

Description of articles	Exact address on the article
1. 1st class	1st class
2. 2nd class	2nd class
3. 3rd class	3rd class
4. 4th class	4th class
5. 5th class	5th class
6. 6th class	6th class
7. 7th class	7th class
8. 8th class	8th class
9. 9th class	9th class
10. 10th class	10th class

Total number of articles (in words):

Date stamp: 7-3-66

Postage stamp to be affixed here

1. The fee charged for a certificate of posting is half annas for every three articles or for any less number, and should be paid by affixing a postage stamp or stamp in the price provided on the face of this form.

2. Any postal article in respect of which this certificate is issued, are not insured, and will not be returned to the sender if the certificate is not presented in a sealed box.

3. In the event of loss, damage or delay, this certificate will confer no title to compensation.

4. This certificate furnishes no proof of the nature of contents.

5. To obtain complete check in the post, sender should be had to registration. This to compensation in the event of loss or damage can only be secured by insurance. Its valuable article should be sent by post registered.

INDIA POSTS—117—25-4-64—40,00,000

[7, 40-0000]

# Registered Post

## Registered Post

- ❑ Is made to make sure the letter is definitely delivered otherwise it should come back to us.
- ❑ In such a situation the Post office offers a registered facility through which we can send our letters and parcels.
- ❑ Registered mails are super scribed as Registered Letter on its face.

INDIA REGD. MAIL POST

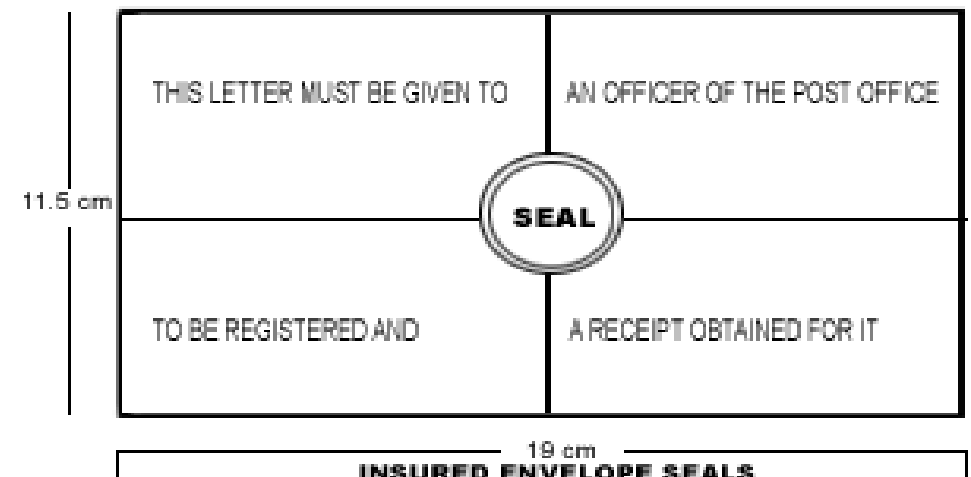

श्री ००००००

# Insured Post

## Insured Post

- While mails in transit can get damaged or lost. The sender of the letter/parcel can ensure the letter or parcel so that in case of loss or damage the post office can compensate.
- It can be insured after paying a certain amount.
- Insurance premium is paid to the post according to the value of the mail it is insured.
- Post office acts as an insurer and is liable for the loss.
- Only registered mails are allowed to be sent through insured post.

# Speed Post

## Speed Post

- It was introduced on 1st August 1986.
- Letters, Documents and Parcels are delivered faster.
- More postage for speed post than ordinary mail.
- This service is available in specific speed post centers.

# Post Restante

## Post Restante:

- When it is necessary to send a letter to a person whose exact address is not known you can send it to the postmaster of that area in which the receiver resides. These letters are called Post Restante Letters.
- This facility is particularly suitable for tourists and travelling salesmen who are not sure about their address in a particular place

# Mail Transmission

## Mail Transmission:

- ✓ Post office collects letters and parcels either through its counters or by installing letterboxes.
- ✓ People drop letters in these boxes at any time according to their convenience.
- ✓ The post office collects these once or twice everyday during office hours.

# Surface and Airmail

The mails that move through railways, motor vehicles, cycles etc., are called **Surface mail**.

All international mails are forwarded through airways. So the mail carried on by air transport is known as **Airmail**.

# Types of paying postage

## Types of paying postage

Postal Stamp.
